

Wednesday Night Fellowship

Our purpose for Wednesday Night Fellowship is to take a day in the middle of the week and bring folks together (young and old) to equip them to glorify and enjoy teachings of our Savior. This is a time where we are learning to be a community of people who honor Jesus Christ as first in all things and labor to see His Kingdom grow, both here in Lexington and throughout the world. **Please come and join us. We would love to have you!**

Come join us for dinner before the Bible Studies. We have the best cooks in the south. They rate right up there with Paula Deen! **You must sign up in the pew registers or go on our website to fill out the reservation form.**

Prayer Meeting

The Parlor

This is a group that meets to pray diligently for the LPC body, the Lexington community and the world. **Led by elders of LPC.**

The Truth Project & Creation & Evolution Room 204

The Truth Project resumes for three more weeks, and then beginning January 27 a new class starts on **Creation and Evolution**, taught by Eric Beane.

Here is the description: Can the Bible and evolution be combined? Did God use evolution as part of His creative process? What about other creation theories like the Gap Theory or the Framework Theory? We will look at all of these different perspectives and learn the truth about creation by examining the Scriptures. By understanding what the Bible says we will begin to build a Biblical worldview and instill a love for God's Word and His world. We will examine the various worldviews that drive much of what we see and hear in the secular culture about the origin of the universe, life and mankind. This course will encourage Christians, and non-Christians, that God is the Creator and that we can know about Him and His creation.

Meditate and Memorize

Room 202

M&M! We're going to camp out on a different verse or two each week, have fun together trying to memorize it, and then chew on it like cows chew their cud! It's Biblical! Come and grow as the Living Word nourishes us together. **Led by Barbara Bindewald.**

Blast Ministry

This is a weekly event for Jr. High Kids. Students meet in the youth room, from 6:30 -8:00. A great time for fun, food and Bible study.

Kids Quest Clubs

Children age 2 (as of September 1, 2009) through grade 4 are invited to come to this awesome club designed to teach scriptures and catechism using games, crafts and other fun activities. Catechism questions and scriptures covered during club time are the same as those listed in the CAMP requirements so CAMP students will find this hour very beneficial.

Adult Choir Practice 7:30-8:30

Welcome all with a joyful noise. ☺ The choir meets in the choir room above the balcony.

You are invited to Wednesday Night Fellowship Starting January 6, 2010
